## CAREER OBJECTIVE

I am looking to secure an Android Developer or Front-End Developer position and further expand my skills, knowledge, and experience in a practical and fast-paced environment. Strong collaborator and always willing to complete tasks to a high degree of quality with a positive attitude. Willingness to take on added responsibilities to meet team goals. I am a professional hospitality worker with six years of experience in customer service. I am a recent graduate from Bachelor of Business and a Diploma in software development. I am looking for the right opportunity to bring my customer service skills and continue to grow my knowledge.

## EDUCATION

**Bachelor of Business**, Murdoch University | 2018 - 2020

**Advanced diploma of leadership and management**, Cambridge International College | 2017 - 2018

**Diploma of software development**, Australis College | 2021-2021

**ISTQB** - International Software Testing Qualifications Board, currently studying

**Front-End Developer Bootcamp**, Learning People, currently studying

**Microsoft Azure Data Fundamentals DP-900** | Sep 2021
